

Questionnaire for Solar Oven Ladies

Are you ready for a solar savings Susu ?

SUN-LIFE
Save the Savings

CDDF

	Question	Response	
		Yes	No
1	Have you read or has someone explained the solar savings charter to you in your local language?		
2	Do you understand all that is written in the charter?		
3	Do you have any questions?		
4	When a Susu group is formed all the members undertake certain obligations to all the other members. If one member does not keep to her obligations then the Susu may fail. Do you agree?		
5	This whole Susu programme is based on saving the savings made possible by reducing the amount spent on fire wood, charcoal, kerosene and one-time batteries. The weekly savings you make are your Susu weekly subscriptions and are not to be spent or used for any other purpose. (a) Do you understand? (b) Do you agree?		
6	Do you agree to pay in GH¢ 2/wk from cooking fuel savings? (a) Would you have any problem doing this? (b) Do you agree?		
7	Do you agree to pay in another GH¢ 2/wk for an additional solar light system from your kerosene and battery savings? (a) Would you have any problem doing this? (b) Do you agree?		
8	GH¢ 2/wk from cooking fuel savings and GH¢ 2/wk from kerosene savings (when you have a solar lantern and torch) = GH¢ 4/wk contribution to the Susu. (a) Would you have any problem doing this? (b) Do you agree?		
9	What do you think is most important for your Susu to succeed?		

Names/Signatures of Susu members (All members sign)
